MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE & OVERVIEW:

According to Inc42¹, the Indian agricultural sector is predicted to increase to US\$ 24 billion by 2025. Indian food and grocery market is the world's sixth largest, with retail contributing 70% of the sales. India's agricultural and processed food products exports stood at US\$ 43.37 billion in FY23 (April 2022-January 2023). As per third Advance Estimates for FY23 (Kharif only), total food grain production in the country is estimated at 330.5 million tonnes. As per the Second Advance Estimates of National Income, the share of GVA of agriculture and allied sectors in the total economy in 2022-23 was 18.3%, with a growth rate of 3.3%.

According to Inc42¹, the Indian agritech sector secured more than \$2.4 Bn in funding in 285 deals between 2014 and February 2024. India's farming sector has served as the bedrock of the economy since independence. Even today, it sustains the livelihoods of about two-thirds of the population. Not just this, the Indian agriculture industry accounts for 19% of the country's GDP, highlighting its enduring significance.

This growth is also a testament to the fact that the country is not only enhancing its position domestically but also in the global food trade, as evidenced by India's push for millet exports at the G20 Leaders' Declaration in New Delhi.

According to the World Economic Forum², agritech activity in India has seen a dramatic surge in recent years, with the startup count rising from 43 in 2013 to more than 1,000 in 2020. This changing paradigm is further fueled by increasing internet penetration in rural India.

Today, India's agritech industry stands at the cusp of explosive growth, propelled by a convergence of factors such as increasing demand, heightened internet penetration and rising investor support.

Notably, government initiatives like the Digital Agriculture Mission (DAM), launched in 2021, and the Agriculture Accelerator Fund are crucial steps towards providing vital infrastructure and support for agritech startups and allied sectors.

According to an Inc42 report, the market opportunity for agriculture sector is anticipated to reach \$25 Bn by 2025, signifying a transition from its nascent stages to mainstream prominence in the near future.

BUSINESS OVERVIEW:

Our Company has been incorporated on December 27, 2023 pursuant to the conversion of the limited liability partnership i.e. “TGIF Agribusiness LLP”. The erstwhile LLP was previously known as “ARV Farmpro LLP” which was formed by the conversion of the partnership firm i.e. “Aarvee Farm Products”. The partnership firm i.e. “Aarvee Farm Products” was formed by our current promoter Niraj Chhaganraj Gemawat and her wife Rachana Gemawat pursuant to a deed of partnership dated February 28, 2014.

We are primarily a horticulture Company engaged in open farming of certain fruits and vegetables. Our farm land is spread over an area of over 110 acres and is situated in the vicinity of three villages i.e. Ajari, Kasindra and Kojra, all of which are located in the tehsil of Pindwara, district Sirohi, Rajasthan. We have obtained all our farm lands on lease basis from our Promoter, Niraj Chhaganraj Gemawat, Rachana Gemawat, Niraj Chhaganraj Gemawat HUF and Vipin Moharir vide a lease deed.

Our Company is engaged in the farming of pomegranate which contribute to more than 95% of our revenue from operations. Apart from the farming of pomegranate we are also engaged in the farming and cultivation of dragon fruits and Sagwan trees.

We follow different farming practices so as to produce quality fruits such as fruit thinning, wherein some portion of fruit crop from the tree is removed before its maturity, in order to improve the general size and quality of the remaining crop, leaf vegetative growth practice to reduce tolerance level of external appearance, protecting fruit with protection material, measuring soil moisture to determine the water application. Under our farming model, wherein we generally employ farmers and workers in the vicinity of our farms. We also engage ourselves in to supervision of farmers and croppers to constantly monitor the quantity and quality of crops.

With the growing consumer knowledge, interest, and purchasing power the demand for the fruits have also increased. This, in turn, played an important role in increasing our product demand in the market. We maintain adherence to quality and safety standards including plant quality, product quality, use of plant nutrients, fertilizers, pesticides to safeguard the plants and produce etc. These steps ensure the fulfilment of food safety and quality control and helps us in increasing the farm produce. We use drip irrigation systems for each of our farms to ensure proper irrigation of the farms and also minimize time spent on irrigation activity. The post-harvest facility has been designed to avoid contamination and to maintain food hygiene in the process. The products are packed as per individual client requirement and delivered to the customers.

SEGMENTAL PERFORMANCE OR PRODUCT-WISE PERFORMANCE.

The Company operates in only single segment. Hence segment wise performance is not applicable.

OPPORTUNITIES AND THREATS, RISKS AND CONCERNS

We are an Agri-based company, our business is dependent on weather conditions, including extreme conditions such as drought and natural disasters. Further, the growth and production of the fruits and vegetables may be adversely affected by any change in the temperatures, weather patterns and the frequency and severity of extreme weather and natural disasters. The longer than usual periods of heavy rainfall in certain regions or a drought in India caused by changes in weather patterns may cause harm to the plantation and effect cultivation/harvesting of the fruits and vegetables. Further, adverse weather conditions may also cause volatility in the prices of commodities, which may affect our sales revenue. Consequently, the occurrence of any such unfavorable weather patterns may adversely affect our business, results of operations and financial condition.

Our businesses are subject to seasonal variations. For example, every crop has a definite harvesting period during with the farm produce are higher compared to other parts of the year, hence the supply of the same is increased during the said period. Though, we maintain sufficient arrangements with storing facilities to store the farm produce and deliver in case of high demands during off period. However, in case we are not able to properly estimate demand and there is a shortage of farm produce and the estimated time period for which the produce can be stored without affecting its quality may have an adverse effect on our production cycle and sales. As a result of such seasonal fluctuations, our sales and results of operations may also vary by fiscal quarter, and the sales and results of operations of any given fiscal quarter may not be relied upon as indicators of the sales or results of operations of other fiscal quarters or of our future performance.

INDEPENDENT AUDITORS' REPORT

**To,
The Members of
TGIF Agribusiness Limited
Ahmedabad**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **TGIF Agribusiness Limited** ('the Company'), which comprise the balance sheet as at 31st March, 2023, the statement of profit and loss and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2024**, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. However, we have no such matters to be reported under this para.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the Annual Report, if we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance and as may be legally advised. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the

date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls over financial reporting of **TGIF Agribusiness Limited** ("the Company") as of **March 31, 2024** in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date. -

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at **March 31 2024**, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risk misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
